### Communication

Our Compliance Team meets regularly with California users responsible for state reporting submissions from California PowerSchool districts.

Our State Reporting Development Team meets with the California Focus Group, a subset of California PowerSchool districts, to help set the direction for upcoming development, including prioritizing enhancement requests, fixes, and upcoming changes to California state requirements.

PowerSchool California Product Management meets biweekly with the state on CALPADS.

**"I love PowerSchool and highly recommend it.** The State Users conference calls with PowerSchool and other users help tremendously! Knowing that PowerSchool cares enough to listen to their customers is important. I have been with PowerSchool for a long time, and appreciate their dedication to continually expanding State Reporting compliance."
