

Special Ohio

# PROFESSIONAL SERVICES

*Convenient. Flexible. Engaging.*

PowerSchool offers best-in-class project planning and product training

## Implementation Methodology

PowerSchool's expert **IMPLEMENTATION PROJECT MANAGERS** work with you to configure district and school items that:

- Satisfy Ohio compliance requirements
- Focus on key PowerSchool configuration and data items

PowerSchool's online **IMPLEMENTATION PROJECT MANAGERS:**

- Will keep the project on track and organized
- Are well versed in Ohio state-based reporting
- Can provide additional consulting to help with first year adoption and preparing for compliance reporting
- Use enhanced data tools with Ohio compliance-specific data templates to prepare, import, and validate key SIS data

# PD+
