Top 10 Reasons PowerSchool Is The Right Education Technology Solution For Ontario Boards

1 **Web Based**
A product designed from the ground up for the web, with real-time data updates for all stakeholders.

2 **Ontario Provincial Reporting Offering**
Over 50 supported reports and submissions to meet Ontario ministry requirements, including easy-to-use OnSIS reporting (meeting all OnSIS submissions), OEN requests, Ministry-mandated format Progress Reports and Report Cards, Enrolment Reporting, OCAS and OUAC Transmissions, and Ontario Student Status Sheets and Student Transcripts.

3 **Non-Modular, Integrated Solution**
Provides all of the core functionality a school needs in one total integrated solution to become the hub of your educational ecosystem.

4 **Application Programming Interface (API)**
A powerful tool within PowerSchool offering single sign-on capabilities and real time data exchange with integrated 3rd party software. Boards can protect their already heavily invested solutions. PowerSchool is an open platform that is easy to integrate with other systems.

5 **Community-Focused Customer Support Site**
Reference knowledge-based articles, download/share custom reports, and register for on-site or online training classes.

6 **All-New Mobile Solutions**
A best-in-class mobile app for parents, students, and school staff (supports both iOS and Android).

7 **Strong But Flexible User Security Settings**
Security tiers and layers provide system administrators flexibility when designing the right security architecture for their school or board. Tiers include functional area, individual pages, and individual fields while the security layers permit settings for large groups of users to unique individual user settings.

8 **Stay Connected**
Real-time integrated information for parents, students, teachers and administrators, including marks, attendance, and school information such as fundraising activities and parent nights via the DailyBulletin.

9 **Localization/Language Toolkit**
All text in the system and online help can be tailored to accommodate locally used education terms and/or translated into any language. 18 languages in the parent portal with no limit on creating your own translations.

10 **NEW PowerTeacher Pro Gradebook**
Use the best tool for helping managing student success for the learner with an advanced seating chart and substitute teacher portal, plus role-based co-teaching security flexibility. Intuitive, easy-to-use design and robust functionality allowing teachers more time for teaching. Supports both standards-based and traditional grading in one comprehensive solution from any device.
