Helping Power Pennsylvania School Operations

Top 10 Reasons PowerSchool Is The Right Education Technology Solution For Pennsylvania Districts

1 Easy to Learn, Easy to Operate
Make your job easier and more efficient with fewer clicks to get tasks done. PowerSchool offers educators and administrators an uncomplicated, stable system for managing student data that is easy to use and navigate with a clean, modern interface.

2 Superior Reporting Functionality and Support
Receive your maximum funding by working with our expert, dedicated Compliance team, which constantly monitors new Illinois requirements and customer requests. Enjoy **PowerSchool Enterprise Reporting** for customized, interactive reports.

3 Open System For Seamless Integration
Save your IT staff countless hours of work! API technologies, and our 3rd party partnerships, allow our customers to choose and integrate K12 education technology solutions with single sign-on capabilities and real-time data exchange.

4 All-New Mobile Solutions
Highest-rated mobile apps, used by more than 7 million parents and students with real-time push notifications to check grades, attendance, and assignments.

5 NEW PowerTeacher Pro Gradebook
Intuitive, easy-to-use design and robust functionality allowing teachers more time for teaching. Enjoy full functionality from any device.

6 Flexibility
Easily tailor the system to your specific needs with powerful configurations. Custom solutions created by PowerSchool users are shared and available to others on PowerSource at no additional cost.

7 Non-Modular, Integrated Solution
Provides all of the core functionality a district needs in one total integrated solution to create a unified classroom experience.

8 Standards-Based Grading/ Grade Card Functionality
Offering teachers mobile-friendly tools for both standards-based and traditional grading to complete tasks much faster than other gradebooks and to have actionable, graphical performance data at their fingertips. Easily generate grade cards precisely how you want to communicate progress, rather than having to conform to pre-built system templates.

9 Parent Engagement
Parents can engage and become involved in their students' education via the Parent Portal or the mobile app, with real-time updates for grades, attendance, assignments, and more.

10 Scheduling Functionality
Scheduling is made easy with the automated Master Schedule Builder, which saves time and fits the varied needs of your students, school, and staff to build the most efficient schedule possible.
