

Unified Classroom[®] **Behavior Support**

Social and Emotional Learning

SIMPLIFYING SOCIAL AND EMOTIONAL LEARNING AND BEHAVIOR MANAGEMENT THROUGHOUT YOUR **POWERSCHOOL ECOSYSTEM**

Unified Classroom Behavior Support is a leading provider of K-12 education behavior management solutions that helps educators effectively manage social and emotional learning (SEL) to improve student well-being, school culture, and achieve more equitable outcomes.

Evidence-Based SEL Management

- Provide educators with better visibility into how students perceive equity and belonging
- Deliver real-time social and emotional learning support

Positive Behavioral Intervention Supports

- Ensure all students are prepared to grow their social and emotional skills
- Reinforce positive behaviors through individual and group incentive plans

Climate and Culture

- Leverage a research-based, proactive strategy for providing a safe and supportive school climate
- Support school-wide expectations and assessment of the school's culture needs

Behavior and Discipline

• Connect all your behavior data in one place with single point of entry and robust analysis tools

Unified Classroom[®] Behavior Support reduces the number of suspensions per student by 26% **52%**

and reduces the number of suspension days by at least 52%
