

Unified Classroom™ Schoology Learning

SCHOLOGY LEARNING SUPPORTS YOUR
DISTANCE LEARNING NEEDS

For over a decade, **Schoology Learning** has supported any teaching and learning environment, including **100% online courses**. As part of PowerSchool Unified Classroom™ solution, Schoology continues to **ensure that all students have access to the same quality of teaching and learning**, regardless of their socio-economic status, special education needs, or any other circumstances.

Enhanced Communication and Collaboration

Use Schoology Conferences, Announcements, Messages, Discussions, Zoom, and/or Microsoft Teams for continuing asynchronous and synchronous **communication with students online**.

Provide Enriched Learning Experiences

Create engaging learning materials and assignments incorporating media, videos, and more. Align to learning objectives to track student progress towards mastery of key objectives and outcomes.

Gain Full Visibility into Learning Patterns

Track student usage through robust reports and analytics, which provide teachers and administrators with information regarding logins, time spent on materials, and more.

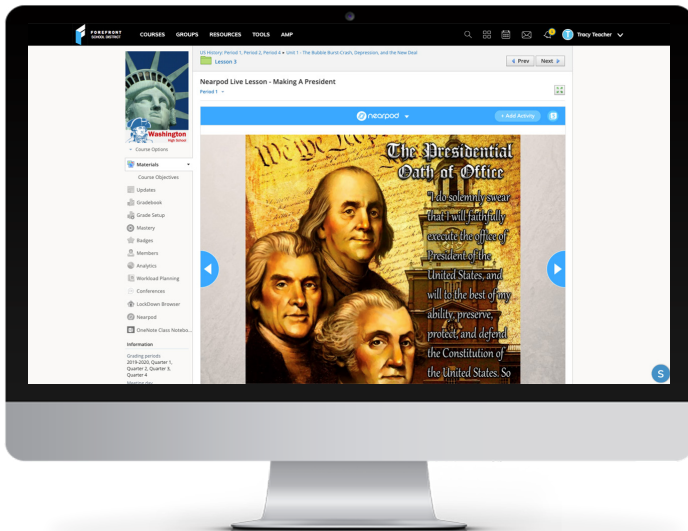

“Schoology provides that platform that **allows children and faculty members to engage in that next level of instruction**. Our students are excited about the opportunity to collaborate on a digital plane.”

DR. JOSEPH RICCA
Superintendent,
White Plains School District, NY

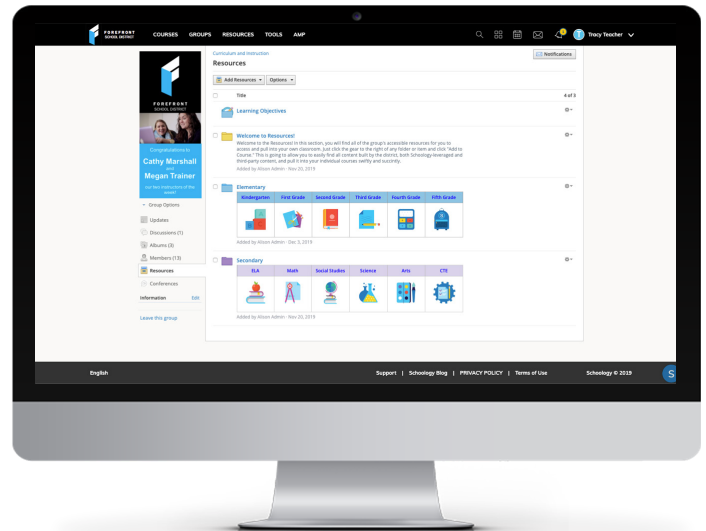

Only **26%** of parents are "not concerned at all" that the coronavirus situation will have a **negative impact** on their **child's education**

Deliver personalized learning experiences online

Enhanced collaboration with shared content repositories.

Integrate with Google and Microsoft Tools

Integrate with existing tools from Google, Microsoft, and others to access previously created materials and collaborate virtually on documents.

Enhance Virtual Communication

Hold virtual office hours to keep students learning and engaged in the educational process. Give parents an outlet to ask questions as they work to support learning initiatives in the home.

Connect the Teacher with the Home

Provide parents with full visibility into the child's learning through the Parent Portal. The portal also provides the parent the ability to message with teachers.

Meet Students Where They Are

Create self-paced learning paths for students to complete at their own pace.
